Fax: (306) 778-9239

Welcome to e-Link

We have a browser-based program that provides you with access to your bus route information online. This software system allows you to locate your bus stop, see the time of pick up and drop off, the bus number and symbol. Please note that this option is only available to routes within the **city**. If you use a rural bus, your driver will contact you for pick up and drop off times in August as in previous years. To access this information, you will require your child's Sask Learning ID number. **This ID number can be found in your MSS (MySaskSchool account) under family details.** Please keep a record of this number as it will be used to access your bussing information.. Your **password** will always be the word "**password**" This link is attached below and can also be found on the Chinook School Division website like the image below.
