**Welcome to e-Link** **\*\* access will be available June 28, 2023** We have

a browser-based program that provides you with access to your bus route information online. This software system allows you to locate your bus stop, see the time of pick up and drop off, the bus number and symbol. Please note that this option is only available to routes within the **city**. If you use a rural bus, your driver will contact you for pick up and drop off times in August as in previous years. To access this information, you will require your child's Sask Learning ID number which will not be available until sometime in the fall. In the short term, we are providing you with a **temporary** student ID number to use. Please keep a record of this number as it will be used to access your bussing information..
